## DHSV/ASSCID: ORAL HEALTH AND DEMENTIA/NDIS ONE DAY WORKSHOP

### The Special Needs Dentistry Workshop

The Special Needs Dentistry workshop has been designed to:

1. Showcase two new resources

The online module developed by Alzheimer's Australia and Special Needs Dentists

The online module developed by Dental Health Services Victoria and designed to help carers maintain the oral health of people they are caring for.

2. To talk about the NDIS

How can oral healthcare become more a part of NDIS packages?

What work needs to be done?

This program is suitable for Dentists, Oral Health Therapists, Dental Therapists, Dental Hygienists, Prosthetists and Dental Assistants.
